

### **Prayer of Confession and Intention (A Group Exercise based on Scripture)**

I thank You that Your power has given me everything I need for life & godliness.

Jesus is my Lord.

I am a work in progress. You will perfect what you started in me.

I am Your child. I am accepted, holy, honoured and precious in your sight.

I was once far away; now I have been brought near by the blood of Christ.

I can do all things through Christ who strengthens Me.

Because I dwell in the secret place of the Most High, I abide under your shadow. I will say of you, "You are my refuge and my fortress, my God in whom I trust."

I will still bear fruit in old age, and be fresh and flourishing.

**In the name of King Jesus, Glory be to God**

**Amen**
